

MASTER CLIENT SERVICE AGREEMENT

General Terms & Conditions for Latino USA Multi Services LLC

This Master Client Service Agreement ("Agreement") establishes the general terms applicable to services requested from Latino USA Multi Services LLC ("Latino USA"). Individual services may require an additional service-specific agreement, authorization, application, disclosure, or fee acknowledgment. If a service-specific agreement contains more specific terms, those terms apply to that service.

1. SERVICES

Latino USA Multi Services LLC ("Latino USA") is a multiservice company providing administrative and support services that may include DMV/MVC assistance, business registration and formation assistance, translations, notary services, bookkeeping, tax-related services, insurance-related services through appropriately licensed professionals, passport and consular assistance, document typing and administrative assistance, government filing assistance, and referrals to independent attorneys or other professionals.

The specific service requested by the Client will be identified on the applicable invoice, receipt, application, authorization, or service-specific agreement.

2. CLIENT RESPONSIBILITY FOR INFORMATION

The Client certifies that all information and documents provided to Latino USA are true, accurate, complete, and authentic to the best of the Client's knowledge. Latino USA may rely upon information supplied by the Client and is not responsible for independently verifying information, documents, identification numbers, ownership, eligibility, legal status, financial information, or representations supplied by the Client.

The Client agrees to carefully review all documents prepared using the Client's information before signing or authorizing submission.

3. NO GUARANTEE OF APPROVAL OR RESULT

Latino USA does not guarantee approval, acceptance, processing time, issuance, registration, licensing, insurance eligibility, court action, government action, tax result, or any other particular outcome. Final decisions are made by the applicable government agency, court, insurance carrier, financial institution, attorney, or other third party.

4. GOVERNMENT AND THIRD-PARTY FEES

Latino USA's service fees are separate from government fees, court costs, insurance premiums, filing fees, postage, translations, certified copies, attorney fees, or other third-party expenses unless specifically stated otherwise in writing. Government and third-party fees may change without notice.

5. SERVICE FEES, CANCELLATIONS AND REFUNDS

Client agrees to pay the service fee disclosed before or at the time the requested service begins. Once Latino USA has begun performing the requested administrative service, fees attributable to work already performed are considered earned and are generally nonrefundable.

A refund will not automatically be due because an application, filing, registration, insurance application, government request, or other matter is denied, rejected, delayed, returned, or requires additional documentation when Latino USA has performed the agreed service. Additional work outside the original scope may require an additional fee, which will be disclosed before that work is performed.

6. IMPORTANT LEGAL SERVICES DISCLOSURE

LATINO USA MULTI SERVICES LLC IS NOT A LAW FIRM. Latino USA does not represent clients as an attorney and does not provide legal advice, legal opinions, legal strategy, or determine a client's legal rights.

When Latino USA provides typing, translation, document handling, administrative filing assistance, or similar services involving legal documents, the Client is responsible for providing the factual information, decisions, and instructions to be entered into those documents. Latino USA employees will not advise a Client what legal position to take, what rights to waive, what settlement to accept, or what information should be provided to obtain a particular legal result.

Clients requiring legal advice should consult an independent licensed attorney. A service-specific agreement may impose additional limitations.

7. ATTORNEY REFERRALS

Latino USA may provide contact information or referrals to independent attorneys when requested or when a matter appears to require legal advice or representation. Any attorney receiving a referral is independent from Latino USA. The attorney determines whether to accept representation, establishes any attorney-client relationship directly with the Client, and is responsible for legal advice and representation. Latino USA does not guarantee the attorney's services or the outcome of any legal matter.

8. INSURANCE SERVICES

Latino USA is not an insurance carrier or underwriting company. Insurance products are issued and underwritten by the applicable insurance company. Activities that legally require an insurance producer license will be performed only by an appropriately licensed insurance producer.

Insurance quotations are subject to underwriting and may change. Coverage is not effective until properly bound or issued by an authorized carrier or producer. Any Latino USA administrative or service fee applicable to an insurance transaction will be separately disclosed to the Client.

9. TRANSLATION SERVICES

Latino USA will translate information contained in documents provided by the Client. The Client is responsible for providing complete and legible originals and for reviewing names, dates, numbers, and other factual information. Latino USA does not guarantee that a translation or document will be accepted by a particular court, government agency, consulate, immigration authority, educational institution, or other recipient.

10. DMV/MVC AND GOVERNMENT SERVICES

Latino USA may assist clients with administrative transactions involving government agencies. Latino USA does not control government processing times, computer systems, appointments, eligibility determinations, suspensions, penalties, inspections, document requirements, or final approval.

The Client remains responsible for tickets, tolls, surcharges, suspensions, insurance requirements, taxes, penalties, outstanding balances, and other obligations associated with the Client, Client's vehicle, or Client's business.

11. TAX AND BOOKKEEPING INFORMATION

Clients are responsible for providing complete and accurate financial records. Unless specifically engaged and legally qualified to provide a particular professional service, Latino USA does not provide legal, investment, or financial-planning advice. Tax returns, bookkeeping records, and other financial documents may be prepared based upon information supplied by the Client without independent audit or verification. Additional tax-preparation or bookkeeping terms may apply.

12. PERSONAL AND CONFIDENTIAL INFORMATION

Latino USA routinely receives personal information necessary to perform requested services. Latino USA will use reasonable administrative safeguards when handling Client information and may use or disclose information as reasonably necessary to perform the authorized service or as required by law.

Information provided to Latino USA does not receive attorney-client privilege merely because it relates to a legal matter. Client should avoid providing sensitive information that is not reasonably necessary for the requested service.

13. COMMUNICATION AND LIMITED THIRD-PARTY AUTHORIZATION

Client authorizes Latino USA to communicate regarding the requested service by telephone, text message, email, or other contact information supplied by Client. When reasonably necessary to perform an authorized service, Client also authorizes Latino USA to communicate with the applicable government agency, insurance carrier, attorney, accountant, lender, or other third party, subject to any separate authorization legally required.

14. CLIENT REVIEW AND FINAL RESPONSIBILITY

Before signing or submitting a document, Client agrees to review names, addresses, dates, identification numbers, vehicle information, business information, financial information, beneficiaries, coverage selections, and all other material information for accuracy. Client must promptly notify Latino USA of any error or change.

15. SCOPE OF SERVICES

Latino USA is responsible only for the specific service the Client has requested and paid for. Services outside that scope - including future renewals, amendments, appeals, responses to government notices, corrections resulting from information supplied by Client, additional filings, hearings, audits, legal representation, or other follow-up work - are not automatically included.

16. CLIENT ACKNOWLEDGMENT

By signing below, Client confirms that Client has read and understands this Agreement; has had an opportunity to ask questions regarding Latino USA's services and fees; confirms that information supplied by Client is accurate and complete; understands that Latino USA cannot guarantee the result of a government, court, insurance, tax, or third-party matter; understands that Latino USA is not a law firm and does not provide legal representation; and understands that additional service-specific agreements or authorizations may apply.
