4. INSURANCE SERVICES DISCLOSURE

Latino USA Multi Services LLC is a multiservice business and is not itself an insurance carrier or underwriting company. Insurance products are issued and underwritten solely by the applicable insurance company. Any activity that legally requires an insurance producer license, including insurance recommendations, solicitation, negotiation, or placement of coverage, will be performed only by an appropriately licensed insurance producer. Latino USA may provide administrative assistance, customer support, document collection, translation, and coordination in connection with the insurance process.

Coverage is not effective merely because a quote, application, payment, or document has been submitted. Coverage becomes effective only when confirmed or bound by an authorized insurance carrier or licensed insurance producer, subject to the carrier's underwriting requirements and policy terms.

SERVICE FEE: A \$100.00 service fee is charged when a client accepts a quote and the insurance policy is successfully bound/issued through the services coordinated by Latino USA. This service fee is separate from the insurance premium and any carrier-imposed fees.

5. QUOTES, PREMIUMS AND COVERAGE

- Insurance quotations are estimates based on information available at the time of the quote and may change after underwriting, verification of records, inspections, reports, or carrier review.
- Client is responsible for reviewing the declarations page, limits, deductibles, exclusions, endorsements, beneficiaries, insured persons/entities, vehicles, properties, and all other policy information for accuracy.

Client remains responsible for making required payments by the due date and for promptly reporting changes that may affect coverage.

7. NO GUARANTEE OF CLAIMS OR COVERAGE
